EDUCATION

Sichuan Normal University

psychology Master Institute of Brain and Psychological Sciences

Master Degree

Thesis topic: Perceptual boost of stimulus memorability on visual short-term memory formation

Supervisor: Dr. Chaoxiong Ye

Sep 2020 - Jul 2023

Chengdu(China)

Assistant Laboratory Manager

Nov 2021

- Management of psychology experiments-Assisting in the collection of experimental data

PERSONAL SKILLS

- **Computer skill:** Microsoft Office- Photoshop - SPSS- JASP E-prime - Brain Vision Analyzer- Matlab - Python-FMRI
- **presentation skills:** Gained through my experience of the regular seminars in Sichuan Normal University .
- **Languages:** Preparing for IELTS
- **communication skills:** Gained through my research experience instructing more than 200 participants in 5 experiments and my counseling sessions with college students.
- **Other skill:** Gained through the management of the current laboratory and group member as a research assistant at Sichuan Normal University

4. Perceptual boost of stimulus memorability on visual short-term memory formation(in preparation)

HONOURS AND AWARDS

2021 Third Class Academic Scholarship at Sichuan Normal University

2020 Inspirational Scholarship at Sichuan Normal University

CONFERENCES AND TALKS

The 6rd Chinese National Emotion and Health Psychology Symposium

Sep 2022

Attended and volunteered at The 6th Chinese National Emotion and Health Psychology Symposium

Attended the 2022 meeting of Vision Sciences Society , and received the travel grant

Attended The 7th Chinese National Emotion and Health Psychology Symposium
